

Red-E-Clip™ System

Wall Protection

Engineered as a lightweight, easy-to-install, and environmentally friendly alternative to continuous aluminum retainers, Red-E-Clip™ is making believers out of contractors and facility managers. Dramatic cost savings on material coupled with lower freight costs, reduced storage and handling problems, and faster and easier installation, make Red-E-Clip™ the sensible choice in wall guard retainers.

Red-E-Clip™ System

Our Red-E-Clip™ is made from recycled vinyl and its lightweight space-saving design means easier handling and less expensive shipping costs. It has been tested for impact resistance and found to be even more durable than wall guards mounted on continuous aluminum. The versatility of Pawling's Red-E-Clip™ system provides the highest level of impact production while keeping costs and labor to a minimum.

Product Code	Description	Dimensions
WG-5C	Crescent wall guard	5"h x 1-1/16"d
